Fort St. George, December 7, 1916.

No. 72.—Whereas in consequence of the war, the traffic of the Port of Madras is reduced and such conditions are likely to continue and it has therefore become necessary to supplement the pilotage receipts, it is hereby notified, under section 44 of the Madras Port Trust Act, 1905, that from the 1st January 1917 and until further notice the pilotage fees now leviable in the Port of Madras on all vessels entering the artificial harbour, will be increased by 50 per cent.

Fort St. George, December 8, 1916.

No. 73.—In supersession of the scale of charges and the statement of conditions now in force, the following *SCALE OF RATES* for harbour dues on goods landed or shipped at any wharf, pier, dock, land or building in the possession or occupation of the Board of Trustees of the Port of Madras—consisting of Part I, the *Statement of the Conditions* on which the Trust is prepared to perform certain services for persons paying its rates, and Part II, the *Schedule of Rates*—has been framed by the Board under sections 42 and 43 of the Madras Port Trust Act, 1905 (II of 1905), and is sanctioned by Government under section 44 of the said Act with effect from the date of this notification:—

THE MADRAS PORT TRUST'S SCALE OF RATES

PART I (A).—STATEMENT OF THE CHARGES FOR CERTAIN SERVICES WHICH THE TRUST IS PREPARED TO RENDER TO THE PUBLIC, AND OF THE CONDITIONS ATTACHING TO SUCH SERVICES.

1. THE TRUST'S RESPONSIBILITY FOR GOODS LANDING THEREON ITS PREMISES—(*a*) *Accommodation and watching.*—For the convenience of its clients, whether importers, exporters or steamer agents, the Port Trust provides and polices accommodation, covered, uncovered, locked or unlocked, as required, for imports in process of transit between ship or lighter and cart or wagon, and for exports in the reverse direction.

(*b*) *Trust not responsible unless goods be definitely tendered in it for custody.*—But the passage of goods into or through the Trust's premises, or its handling of them or its storing of them, for the convenience of its clients, whether under roof or not, or locked or not does not bring such goods under the baileeship of the Trust, as contemplated in section 41 (1) of the Madras Port Trust Act, unless and until, in compliance with a request by the tenderers, a receipt relating thereto, as specified in section 40 (1) of that Act, shall have passed from the Trust to those tendering the goods to it for custody. In the case of export cargo, the prescribed receipt will not be granted until the tenderer shall have complied with the conditions noted on the reverse of the Port Trust form called the "Export Application".

(*c*) *Additional dues on exports taken into the Trust's custody.*—On all goods intended for export which, at the owner's request, the Trust takes definitely into its custody under sections 40 and 41 of its Act, and gives a receipt for, an extra charge will be levied of 2½ annas per ton over and above the charges shown in Part II, the Schedule of Rates.

(*d*) *Owner responsible for package under appraisement.*—Goods opened by order of the Customs Department or removed by the Trust, under the instructions of the Customs Department, for examination or appraisement, will remain at the risk of the owner until, with the permission of the Customs Department, they shall have been returned definitely by the owner to the Trust for custody and a receipt for them shall have been granted.

(*e*) *Conditions of Trust's acceptance of baileeship.*—Goods tendered for custody to the Trust as bailee, by importers, exporters or steamer agents, must be tendered at such places and be stacked in such manner as the Trust may appoint for the purpose, from time to time, or may direct to the tenderer; and until so placed, and the prescribed receipt shall have passed from the Trust to the owner, such goods shall continue to be at the owner's sole risk.

(*f*) *Conditions on which exports in Trust's custody may pass out.*—Exports which have passed into the Trust's custody, as per clause 1 (*b*) and (*c*), may not be moved for shipment, or from the harbour premises, until the receipt given for them by the Trust to the exporter, or an acquittance of equivalent validity, shall have passed to the Trust from the exporter. But from the moment of the surrender of such receipt or of such acquittance, by the owner to the Trust, such goods shall be at the owner's sole risk notwithstanding their being in the Trust's premises and enjoying such conveniences as those referred to above in clause 1 (*a*).

2. THE TRUST'S OPTION TO PERFORM SERVICES—(*a*) *To every goods by water.*—Under section 39 of its Act the Trust has the option to land, ship or tranship goods between vessels in the port and its wharves, piers or docks. But it does not at present perform any such services.

(*b*) *To take charge of goods for delivery or shipment.*—Under section 39 of its Act, the Trust has the option to undertake, or to refuse to undertake, the reception, removal, porterage or storage of goods brought within its premises. For goods of which it consents to take charge, the Trust is bound, under section 40 (1) of its Act, to give a receipt if thereunto required.

(*c*) *Goods of which the Trust does not take charge.*—But at present the Trust does not take charge of the following classes of goods, whether in the open or under such shelter, locked or unlocked, as it may have placed at owners' or steamer agents' disposal, viz.:—(i) exports not specifically tendered for custody under clause 1 (*b*), and for which a receipt has, therefore, not been granted; (ii) iron and steel, etc., the handling of which has been relinquished by the Trust to steamer agents; (iii) combustible coasting cargo of which the handling has been relinquished by the Trust to steamer agents—other than the combustibles that must be landed under the Trust's combustibles permit; (iv) Government stores; (v) free goods; (vi) goods enumerated in Part II (B) of the Scale of Rates; and (vii) all goods landed outside the harbour.

3. PORTERAGE OF IMPORTS—(*a*) *Rates and charges.*—The rates given in Part II (A) of the Scale of Rates cover portage of imports by the Trust. The rates quoted in that part of the Scale do not cover the handling of goods landed outside the harbour. Part II (B) of the Scale enumerates certain goods the porterage of which by the Trust is not covered by the rates quoted. Whenever at the request of

importers, the Trust handles any goods not ordinarily so handled, it will levy an additional charge equal to the actual cost incurred in such handling, with 4 annas per ton as a minimum, and also cranage charges if incurred, but will accept no responsibility in respect of cargo so handled.

(f) Relinquishment of porterage by Trust to steamer agents.—Whenever the Trust agrees with steamer agents to relinquish to the latter the porterage of non-dutiable coasting cargo, the rates of harbour dues payable by owners of such cargo will be 4 annas less per ton than those quoted in the Schedule of Rates; this reduction will not, however, apply to the exceptions given above, viz., to items in Part II (B) of the Scale, to goods landed outside the harbour, and to goods of which the rate is per "each." Whenever the Trust agrees with steamer agents to relinquish to the latter the porterage of iron or steel, etc., whether coasting or foreign, consigned to others than to Government, and landed at the Inner basin iron yard, the rate of harbour dues thereon will be 8 annas per ton less than that quoted in the Schedule of Rates.

(g) Trust may collect steamer agents' porterage charges.—Should an agreement be come to between the Trust and a steamer agent that the latter shall handle cargo ordinarily handled by the former, at an agreed rate, both parties to the agreement will be at liberty to arrange, mutually, for the Trust to collect from owners, and to pay to the steamer agent, the agreed rate for porterage, without the steamer agent being thereby constituted the Trust's contractor or agent.

4. PORTERAGE OF EXPORTS—(a) *Trust passes out exports at exporter's risk.*—The porterage of exports by the Trust is not covered by the rates given in the scale. But in order to avoid the confusion that must occur if the carrying and cranage of exports passing out for shipment through its sheds and over its piers or wharves are left to exporters themselves, the Trust ordinarily supplies the labour and machinery for handling and craning cargo so passing out, under a general charge of 4 annas per ton, per passage, whether its cranes are used or not. Exports so handled for shipment do not, however, pass thereby into the Trust's custody, but are at the risk of the owner. Should any part of them have been in the Trust's bailceship under clause 1 (e), prior to their passing out for shipment, they will already have left such custody under clause 1 (f) before being handled.

(b) Services covered by the 4-annas per ton charge.—With the exception of goods intended for export that require the use of cranes for their unloading from wagons or carts and for which the rate of cranage will be that laid down in clause 11 (a), the 4 anna charge specified in clause 4 (a) is intended to cover the use not only of labour but also of such shedding, wharves, cranes, trollies, etc., as has been provided by the Trust for the general convenience of its clients, whether their goods may have come into its custody or not. But the 4-annas per ton charge will not be levied on goods removed from a warehouse leased to a shipper and shipped by him on board a vessel lying at a quay.

(c) Rebate if owners handle exports.—Should owners of exports desire to do so, they may, with the Trust's permission endorsed on the "application," handle their goods themselves, and in that case they will be granted a rebate of 2 annas off the above 4-anna charge. But such permission will be given for the handling of the whole, and not a part, of the exports covered by one "application."

(d) Unloading exports.—Exports arriving by road must be unloaded and stacked by owners. Exports arriving by rail, other than ores, coal, kerosene-oil, rough stone, ballast, timber and such like, will be dealt with as per clause 2 of Part I (B).

(e) Conditions.—For the purpose of assessing dues, all exports must be suitably stacked for count, weighment or measurement at places pointed out by the Trust. No exports may be moved forward for shipment until all dues thereon shall have been paid.

5. SPECIAL PORTERAGE.—For porterage, other than that for exports as per clause 4 (a), done by the Trust and not covered by harbour dues, the charge will be the actual cost to the Trust of such porterage, with 4 annas per ton as a minimum.

6. TRANSIT DUES ON IMPORTS LEFT LYING IN THE TRUST'S PREMISES.—(a) The Trust's intention, in imposing transit dues on imports is not to act as warehousemen for profit, but to prevent the congestion of its sheds which experience shows to take place if its charges for shelter are too low. Such congestion is found seriously to interfere with the speedy transit through the harbour premises of goods of which owners desire to take early delivery. In order to prevent congestion the following transit dues are imposed:—

On goods not cleared within six working days following the date on which the vessel concerned shall have completed discharge of her cargo, and excluding Sundays and Chamber of Commerce holidays, transit dues will be charged at the following rates:—

For the first week, or portion thereof—

(i) On consignments, actually landed, whose actual invoiced weight or measurement covers 50 tons and over	..	2 annas per ton per day.
(ii) On consignments, actually landed, whose actual invoiced weight or measurement covers 10 tons and over, but less than 50 tons	.. .. ..	4 annas "
(iii) On consignments, actually landed, whose actual invoiced weight or measurement covers less than 10 tons	.. ..	8 annas "

For the second week or portion thereof—twice the above rates.

For the third and succeeding weeks or portions thereof—thrice the rate for the first week.

(b) Salvaged goods.—In the case of salvaged goods, the six free days mentioned in clause 6 (a) will be reckoned, from the day following the notification of salvage by the Receiver of Wrecks in the *Fort St. George Gazette*.

(c) Dangerous goods.—On the undermentioned dangerous goods, if landed at a quay and not cleared from the Trust's premises by consignees within (excluding Sundays and holidays) 24 hours after the day of landing, transit dues will be levied at double the full rates quoted in clause 6 (a):—Matches; sulphur; glycerine; pitch; tar; creosote; acids other than sulphuric, nitric, carbolic, muriatic and hydrochloric acids; nitrate of potash and similar alkalies.

(d) Goods on which dues are quoted "per cent."—On goods for which a special rate of harbour dues "per each" is quoted, the rate of transit dues, after the free days mentioned in clause 6 (a), will be calculated as a percentage of the harbour dues, thus:—For the first week or part thereof 25 per cent, for the second week or part thereof 50 per cent, and for the third and succeeding weeks or parts thereof 100 per cent.

(e) *Other conditions.*—(i) With the exception of dangerous goods, half the above rates will be charged if goods lie in the open without covering of tarpaulin or roof. (ii) Goods remaining uncleared at the expiry of the free days will be liable to the "special porterage" fee specified in clause 6, if shifted by the Trust in the interests of cargo generally. (iii) After transit charges begin to accrue, no allowance will be made for Sundays or holidays.

(f) *Goods from unknown vessels.*—On goods from vessels whose names are unknown, transit dues will be charged up to a maximum of two months only."

7. STORAGE OF EXPORTS.—(a) *Conveniences for exporters.*—In return for its ordinary harbour dues, as per these bye-laws, the Trust provides accommodation, as per clause 1 (a), for the use of exporters for a period long enough, ordinarily—vide (b) below—to enable them to effect the shipment of their goods. Also, see clause 9, it places certain spaces, at a rental, at exporters' disposal. But in order to prevent, in the interest of all exporters equally, the abuse of the privilege of free accommodation and the congestion resulting therefrom, the Trust is obliged to impose penalty charges as per clause (c). But in imposing these penalty charges the Trust does not thereby offer to act as warehouseman for cargo; nor by allowing the very liberal free days noted in the next clause it hopes to minimise its penalty collections.

(b) *Free accommodation for exports.*—Exports may stand within the Trust's premises, free of storage charges, for a period of six working days, excluding Sundays and Chamber of Commerce holidays, before that of the arrival in port of the vessel in which shipment is effected, with, in addition, the days the vessel remains in port.

(c) *Penalty charges.*—But for periods longer than the aforesaid free days, penalty charges will be levied at the following rates in order to prevent congestion:—

For the first week or portion thereof—1 anna per ton per day.
For the second week or portion thereof—2 annas per ton per day.
For each of the third and following weeks or part thereof—4 annas per ton per day.
Half the above storage rates will be charged if the goods lie in the open, without covering of tarpaulin or roof.

(d) *Exports that have to be shifted.*—Goods remaining on hand at the expiry of the free days will be liable for the "special porterage" fee specified in clause 6, if shifted by the Trust in the interests of cargo generally.

(e) *Goods shut out from shipment.*—No free days will be allowed on goods brought into the Trust's premises and removed therefrom without being shipped or without being waterborne for shipment. But intended shipments which have been waterborne for shipment and have been shut out, if removed from the premises, will receive the benefit of the free days as if they had been shipped. If removed from the premises after the departure of the vessel by which they were shut out, the total number of free days allowed will be the six days before the arrival in port of the vessel by which the goods were shut out, in addition to the stay of the vessel in port and 24 hours, excluding Sundays and holidays, after her departure. But for goods waterborne for shipment by one vessel and subsequently shipped to another vessel, after having been shut out by the first vessel and left in the Trust's premises, the free period as laid down in clause 7 (*b*) will count only from the date of the arrival of the vessel by which the goods were actually shipped.

8. STORAGE OF EXPLOSIVES.—For such explosives as the Trust is licensed to store and does store in its magazine, the following scale of storage will be charged after the expiry of the same number of free days as are allowed to other imports:—

Two pice per pound per month or part of a month for the first year.
For the second year—twice the above rates.
For the third and subsequent years—three times the above rates.

Storage will be charged on the *gross* tonnage of consignments and must be paid monthly. The first year will be considered as commencing from the date of the reception of the explosives in the magazine.

9. RENTED SPACE.—(a) *Allotment of space.*—Persons requiring to rent space for the storage of their goods on the Trust's premises may obtain it, if available, by making application in writing for a permit in the form prescribed by the Trust from time to time. But it will be in the Trust's discretion to consent or to refuse to allot such space, and an allotment will, ordinarily, be refused unless the application has been made before the deposit of the goods. Rented space may not be sub-let.

(b) *Owners' risk.*—In applying to be let store goods on space available for rent, owners must state that they understand that they accept all risks and responsibility for goods so stored.

(c) *Open space.*—For rough goods stored in the open, such as ashes, coal, coke, minerals, timber, scrap iron, firewood, redwood, stone, etc., rent will be charged for at the rate of 2 annas per day per 1,000 square feet allotted, or part thereof, from the date of allotment.

(d) *Covered space.*—For cargo stored in certain of the transit sheds allotted by the Trust for such purpose from time to time, the rent will be at the rate of Rs. 3-12-0 per calendar month, or *pro rata* for part thereof, per 100 square feet allotted or part thereof, whether the sheds are locked by the Trust or by the owners of the cargo. But before he can be allotted space on these terms the owner must put it in writing that he understands clearly that the locking by the Trust of sheds thus partly or wholly rented to him does not avail to make it liable for the goods so stored unless the receipt specified in clause 1 (*b*) shall have passed from the Trust to him.

(e) *Merchants' warehouses.*—The Trust has provided certain covered sheds for lease to merchants for the storage by them, at their own entire risk, primarily of goods intended for export. The rent to be charged for these warehouses will be at the rate of Rs. 3-12-0 per calendar month or *pro rata* for part thereof per 100 square feet allotted or part thereof.

(f) *Timber.*—For timber allowed to lie in the sorting enclosures of the timber yard beyond the free time allowed by the Trust's timber yard rules from time to time, rent, payable by the landers of such timber, will be charged at 4 annas per day or part thereof per 1,000 square feet or part thereof on the whole area of the enclosures allotted to them. But for such timber the permit referred to in clause 9 (a) is not necessary. The transit dues invariable under clause 6 will be recovered, from landers, on timber left afloat in the timber pond beyond the expiry of such free days as the Trust may see fit to grant. A consignee of timber landed in the floating or non-floating timber yard failing

to pay his dues within seven days (Sundays and holidays not to count), including the date of the departure of the vessel from which his timber has been landed, will be liable for transit dues under clause 9, up to the date of payment of dues.

(g) *Conditions.*—The occupation of space under rental terms will be subject to the conditions set forth in the permit. In the absence of the permit, double the above rents will be charged from the date of allotment.

10. ADDITIONAL CHARGES ON IRON AND STEEL.—(a) After allowing for such free days, exclusive of Sundays and Chamber of Commerce holidays, as the Trust may see fit to grant, the following transit charges per ton per day will be made on undelivered balances of consignees' iron or steel, handled by steamer agents at the boat basin iron yard, as worked out from day to day. The first month will be considered as commencing from the date of the sailing of the vessel concerned.—

First month	½ pie	Third month	2 annas.
Second month	1 anna.	Later months	4 ,,

(b) On goods stored under cover in the shed allotted for sheltering certain kinds of iron and steel, transit charges will be recovered at four times the above rates.

(c) If, in the interests of the Trust's business, it is found necessary to shift any of such iron or steel, the charge to the consignee for its removal will be 8 annas per ton for each shift. Iron or steel remaining unremoved, beyond the end of the day following delivery, will have to pay 8 annas per day or part of a day for each 100 square feet or part thereof occupied.

11. CRANAGE—(a) *Rates per ton.*—For the cranage of goods at any wharf, pier, dock, land or building in the possession or occupation of the Board, or into or from any truck or railway vehicle, the charge for each package, by measurement at 50 cubic feet to the ton, or by weight at the Trust's option, per ton per hoist, will be as follows:—

	Rs.	A.	P.
Up to 1 ton	0	4	0
Over 1 ton and up to 2 tons	1	8	0
Over 2 tons and up to 5 tons	2	8	0
Over 5 tons and up to 10 tons	4	0	0
Over 10 tons and up to 15 tons	5	0	0
Over 15 tons	6	0	0

(b) *Exception.*—But when, in the scale, a rate is quoted per package or per animal, such rate shall cover only one cranage when the goods are landed or shipped. All other cranage, if incurred, must be paid for at the rate of Rs. 1-8-0 per hoist, per package or per animal.

(c) *Iron and timber.*—All goods passed in at the boat-basin iron-yard, and all timber handled at the floating or non floating boat basin timber-yard measuring 5 cubic feet and over for each piece, will pay 4 annas per ton cranage, whether the cranes that have been provided are used or not. When timber measuring less than 5 cubic feet per piece is craned, cranage at 4 annas per ton will be charged. Iron, steel and timber landed elsewhere than at the boat-basin iron or timber yards must pay cranage charges, as per clause 11 (a).

(d) *Hire of cranes.*—Cranes, if available, of 3 tons capacity or under, hired to merchants for a special purpose, outside the ordinary routine of landing and delivery, will be charged for at the rate of one rupee per crane, per hour or part thereof, for hand cranes and at double this rate for steam cranes. The use of the wagon-loading cranes in the timber-yards is free.

(e) *Cranage on liquids.*—For the calculation of cranage on liquids, whose rates of harbour dues are fixed in the scale per 54 gallons, one ton will be considered as equivalent to 216 gallons, or to 50 cubic feet, at the Trust's discretion.

12. LOCAL ENGINE HAULAGE AND HANDLING DONE IN THE HARBOUR.—(a) *Haulage and handling charges.*—For export produce hailed from sheds rented by exporters in the Trust's premises, for direct shipment from wagon to steamer or from wagon to boat, the Trust will charge Rs. 6-8-0 per loaded trip for each 23-ton broad gauge wagon and Rs. 3-8-0 per loaded trip for each 12 ton broad gauge wagon, and proportionately to carrying capacity for smaller wagons if employed. The loading of such wagons must be done at their own expense by the exporters concerned. But when with the Trust's permission, the unloading of wagons at the ship's side and the shipment into the steamer or into lighters is done by exporters, they will be given a rebate of Rs. 4-4-0 per 23-ton broad gauge wagon and Rs. 3 per 12 ton broad gauge wagon for goods shipped direct from wagons into a steamer and Rs. 3 per 23-ton broad gauge wagon and Re 1-8-0 per 12-ton broad gauge wagon for goods unloaded from wagons into boats. If smaller wagons are employed the rates of rebate per wagon will be in proportion to the carrying capacities of such wagons. For handling of cargo by the Port Trust, at the request of owners, in connection with the shipment of export produce from warehouses, the rates will be Rs 6 for each 23-ton broad gauge wagon and Rs. 3 for each 12-ton broad gauge wagon and proportionately for wagons of smaller carrying capacity. In the case of goods, other than export produce from a warehouse, loaded and unloaded by the Trust, at the request of owners, into and out of Port Trust wagons, the rates for handling will be Rs 6 for each 23-ton broad gauge wagon and Rs. 3 per each 12-ton broad gauge wagon and proportionately for smaller wagons, for each operation, and the haulage charge on such wagons, for each loaded trip, will be Rs. 3 for each 23-ton broad gauge wagon and Rs. 1-8-0 for each 12-ton broad gauge wagon and proportionately for smaller wagons.

(b) *Hire of Port Trust wagons.*—Port Trust wagons, if available, will be hired to the public at the rate of Rs. 10 for each 23-ton broad gauge wagon and Rs. 5 for each 12-ton broad gauge wagon, per midnight-to-midnight day or part of such day. Vehicles hired from the Port Trust will be hauled, on behalf of the hirers, at the rate of Rs. 3 per 23-ton broad gauge wagon and Rs. 1-8-0 per 12-ton broad gauge wagon for each loaded trip.

13. TRANSHIPMENT.—Goods manifested for transhipment, and transhipped, from ship to ship, whether directly or *via* the shore, will pay only quarter harbour dues. But if handled by the Trust, such goods will pay a further sum of 4 annas per ton for each operation, whether in or out. The rates quoted in clause 7 (*a*) will apply to all goods, other than iron and steel and timber stored in the iron and timber yards respectively, awaiting transhipment in the Trust's premises, except that for such goods the penalty charges, there quoted, will be halved. In the case of iron and steel and

timber awaiting transhipment to the iron yard and timber yards respectively, the rates of transit dues will be the full rates ordinarily charged in these two yards on the above-mentioned goods. Cranage will not be charged on such goods. Coal or petroleum fuel, for bunkers, which has paid harbour dues may be re-shipped free of further harbour dues. If the tonnage of transhipped goods cannot otherwise be readily ascertained, dues will be levied on the tonnage of the lighters or other craft conveying them from the vessel by which they were manifested for transhipment. In the case of import goods on which the Trust relinquishes a portion of the harbour dues for handling, the harbour dues for transhipment will be calculated on the balance left after the amount to be relinquished has been deducted.

14. WORKING HOURS.—The Trust's "ordinary working hours" are the hours fixed for Customs working from time to time by the Collector of Customs, Madras.

15 OVERTIME WORKING.—Steamer agents or others, who require business to be done outside the Trust's ordinary working hours, shall put in a regular application for such overtime working, not later than 2 p.m. on the same day, or in the case of Sundays and holidays on the previous working day, and shall pay to the Trust overtime fees on the following scale, whether subsequently they offer cargo during such outside hours or not. But no charge will be made for overtime fees if applications for night work are cancelled in writing before 6 p.m. on the same day, or before 4 p.m. on the day previous, in the case of applications for overtime working on Sundays and holidays.

Services to be paid for by each applicant for overtime work.	Each hour after 6 p.m. and before 6 a.m. per section.	Sundays and gazetted holidays	
		Half a day, from 6 a.m. to noon or from noon to 6 p.m., per section.	A full day, from 6 a.m. to 6 p.m., per section.

Keeping a section of the yard open for the Trust's labour.	10	20	30

Exception (a).—The above-noted fees will not apply to a tanker pumping oil through a pipe line to an installation.

Exception (b).—The charge of Rs. 15 levied for keeping open a section of the yard between 6 a.m. and 6 p.m. on Sundays and holidays, for the landing of oil other than in bulk or of coal, has nothing to do with the charge for the use of a locomotive included in the rate referred to in clauses 12 (*a*) and 12 (*b*) of the scale. The working hours for the landing of oil other than in bulk and of coal are from 6 a.m. to 9 p.m. and all haulage done within these hours is covered by the rate laid down in clause 12 (*b*). For the use of a locomotive from 9 p.m. to midnight the charge will be Rs. 16 and from 9 p.m. to 6 a.m. the charge will be Rs. 32.

Exception (c).—No charge will be made for keeping a gate open for the passage of export goods to spaces or sheds leased to merchants under clause 3.

16. REFUNDS OR OVERCHARGES.—(*a*) Applications for refunds of overcharges of dues, paid on imports or on exports, will not be considered unless submitted to the Trust, in writing, by the importer or shipper or on his behalf, within three calendar months from the date of the filing of the relative harbour application in the case of imports and within one month from the date of the departure of the vessel concerned in the case of exports. No refund will be made unless the amount refundable is one rupee or more. In the case of goods which have not been shipped refunds will only be made on proof of short shipment.

(*b*) *Refund of dues on kerosine oil in bulk.*—Refunds of dues on account of shortage of kerosine oil in bulk will be based on the amended manifest in the case of oil from coast ports or according to the dip, as advised by the Collector of Customs, in the case of kerosine oil on which customs duty is leviable. For the purposes of the scale of rates, two hundred and seventy-five gallons of kerosine in bulk will be considered as equivalent to one ton.

(*c*) *Refunds in cases of which the rate is "per each."*—When goods have paid dues at a rate quoted *per each* in the scale, and have then failed to be shipped, one-fourth of the dues so paid shall be retained by the Trust when making a refund, if the goods have been craned by the Trust.

17. DUES, HOW LEVIABLE.—(*a*) Harbour dues, cranage, removal fees and porterage special, as well as transit dues and storage if incurred, will be levied on the gross tonnage of each package. Dues on coal, coke and kerosine oil in bulk will be levied on the manifested tonnage of the vessel's cargo.

(*b*) In calculating the charges leviable under the schedule of rates on any one item, all half annas or fractions of less than half an anna will be waived while all fractions exceeding half an anna will be treated as one anna. Similarly, in calculating the tonnage of any one item, a load of less than or up to 6 cwt. will be treated as 6 cwt.; a load exceeding 6 cwt and up to half a ton will be treated as half a ton; a load exceeding half a ton and up to 15 cwt. will be reckoned as 15 cwt.; while a load exceeding 15 cwt. and up to 1 ton will be calculated as 1 ton. Fractions of measurement-tonnage will be similarly treated.

18. SHIPS' REQUIREMENTS.—*Bona fide* ships' fittings, ships' stores, dunnage, and provisions for the use of ships using or frequenting the port need not pay harbour dues, but will have to pay for special services, in the shape of cranage, storage, removal fees, porterage, haulage, etc., if rendered.

19. MINIMUM CHARGE.—If the aggregate of all charges payable to the Trust in respect of any one consignment shall amount to less than 4 annas, a charge of 4 annas will be levied for that consignment. "Consignment" means the goods covered by one import or export "application." If transit or storage dues are incurred and amount to less than 2 annas, a charge of 2 annas will be levied on the consignment concerned.

20. HARBOUR DUES ON GOVERNMENT STORES.—For all Government stores, excluding articles enumerated in Part II (B) of the scale, a uniform rate will be charged of Re. 1 per ton of 20 cwt. or per ton of 40 cubic feet, inclusive of all cranage. The schedule rates will apply to articles enumerated in Part II (B) of the scale. The all-round rate does not include transit dues or storage, haulage of wagons, hire and demurrage on wagons, harbour terminal charges, removal fees or overtime fees, which, if incurred, will be levied at the usual rates. Whenever the Port Trust relinquishes the porterage of Government stores other than the exceptions above referred to, the rate of harbour dues for such stores will be Re. 1-12-0 per ton instead of Re. 1.

of the scale are porterage by the Trust, the charge will be the actual cost to the Trust of such porterage with 4 annas per ton as a minimum. The baggage of troops embarking and disembarking will be covered by a charge of 4 annas per head on soldiers and followers. All regimental and mess stores and officers' chargers will be charged at schedule rates.

21. PASSENGER LANDING TOLL.—All steamers landing or embarking deck passengers or emigrants at Madras shall pay to the Port Trust a toll of 4 annas per head of this class of passengers. In return, the Port Trust will either bring such steamers alongside a quay or arrange for the landing of their passengers in boats free of charge. The Master or Agent of every such vessel must submit to the Trust a copy of his passenger-list in support of the amount so paid.

22. VESSELS IN DISTRESS.—The following are the rules for collecting dues on cargo landed at the port of Madras from vessels in distress:—

(a) All cargo to pay import harbour dues on landing, except such cargo as may already have paid export harbour dues at Madras and may not have been carried to its destination.

(b) All cargo to pay cranage both in and out and transit dues or storage while on the Trust's premises, at the usual rates.

(c) Cargo found sound, and re-shipped without having left the Trust's premises, to be exempt from further export harbour dues.

(d) Where marks are indistinguishable and the cargo is landed in bulk, or under such conditions that the tonnage is not readily ascertainable, the licensed carrying capacity of the barge that brings the cargo to shore shall be taken as the tonnage, a proportionate reduction being made for half loads. Where marks are indistinguishable and the cargo is landed direct on to a quay, in bulk or under such conditions that the tonnage is not readily ascertainable, the measurement shall be made by actual cubical contents at 50 cubic feet to the ton.

23. PAYMENT OF CLAIMS.—The following are the rules regulating the basis on which the Trust will pay claims for the loss or destruction of goods for which it has become liable under the Madras Port Trust Act:—

(a) Claims for the shortage of or damage to goods will be settled on the prime cost of the article less trade discount. The exchange value of the rupee will be considered to be one shilling and four pence.

(b) An allowance of 15 per cent of the actual rates, in the case of ordinary cargo, will be granted by the Trust to cover all incidental and out of pocket expenses such as freight, insurance, customs duty, landing charges, etc.

(c) In the case of wines and spirits the Trust will pay the actual customs duty recoverable and will grant, in addition, an allowance of 10 per cent to cover incidental expenses.

(d) Every claim bill should be accompanied by the relative invoice in original.

(e) In the case of exports the calculation will be based on the market value of the goods on the date of settlement.

24. WEIGHMENT OF COAL.—Coal passing out of the harbour by rail may be weighed, free of charge, on the Trust's automatic wagon weighbridge. Coal removed by cart, for local use, may, if desired, be weighed on the Trust's cart weighbridge at a charge of 6 pies per ton.

PART I (B).—STATEMENT OF SERVICES WHICH THE TRUST MAY RENDER TO THE PUBLIC IN THE CASE OF GOODS RECEIVED AND DESPATCHED BY RAIL AND OF THE CONDITIONS AND CHARGES ATTACHING THERETO.

1. THE TRUST'S RESPONSIBILITY FOR GOODS RECEIVED AND DESPATCHED BY RAILWAY WAGONS.—(a) *Responsibility for inwards goods.*—The responsibility of the carrying Railway and of the Trust for the safe custody and delivery of goods arriving in the harbour premises by railway wagons will cease (i) when the railway receipt has been surrendered and railway freight has been paid in the case of goods unloaded in the general sheds, (ii) when wharfage, as laid down in clause 13 below, begins to accrue, or (iii) when the goods have been unloaded on to a rented plot or into a shed leased to a merchant, subject in the last case to such damages, shortages and deficiencies as may be noticed at the time of unloading the wagons. If the owners of inwards rail-borne goods wish to tender their goods after the surrender of the carrying Railway's receipt, they must comply with the conditions laid down in clause 1 (*b*), Part I-A, of this scale.

(b) *Responsibility for outward goods.*—No responsibility will be accepted by the Trust for goods intended for despatch by rail out of the harbour unless and until (i) such goods have been stacked in a manner and in a position pointed out by an officer not lower in rank than a section master and (ii) a consignment note shall have been accepted for them by the Trust. Printed forms of consignment notes, which alone may be used, must be signed by the sender or senders or in his or their behalf, and must contain a declaration of the weight, description and destination of the goods. The Trust's goods clerks have instructions to demand from consignors or consignees a written description of their goods, as required by the neighbouring Railways under section 54 of the Railway Act X of 1890.

(c) *Trust not responsible for goods under certain conditions.*—The Trust, acting as carriers, will not be responsible for the loss of or damage to goods, if they

(i) are insufficiently, incorrectly, or improperly packed, marked, directed or described;

(ii) contain articles liable to break or damage each other;

(iii) are liable to fermentation, or to leakage arising from bad casks, bad cooperage, bad soldering or defective joints in tins or drums;

(iv) suffer accidental or unavoidable delay in transit or otherwise;

(v) are damaged by the act of God, fire, the King's enemies or civil commotion.

2. RAIL-BORNE GOODS WHICH MUST BE UNLOADED AND LOADED INTO WAGONS BY OWNERS.—The following classes of goods must be unloaded from and loaded into wagons by owners even if not quoted in the neighbouring railway tariffs as having to be unloaded or loaded by owners. But the Trust reserves to itself the right to unload or load goods which the owner has to, but fails to, unload or load within nine working hours of the wagons having been placed in position. In all cases in which the obligation of loading or unloading falls on owners of goods, the risks attending thereupon must be borne by the owners whether such loading or unloading is done by them or by the Trust:—

(i) goods consigned from and to the oil installations;

(ii) goods unloaded into or loaded from a warehouse or on to or from a plot of land leased to a merchant;

(iii) the excepted articles noted in Part II (B) of the scale which the Trust does not handle

3. OFFENSIVE GOODS.—Offensive goods are not permitted to be consigned to Madras harbour. The following are declared to be offensive goods: (i) dried blood or blood manure; (ii) bones, horns or sinews; (iii) carcasses of dead animals; (iv) corpses; (v) rags and (vi) any decayed animal or vegetable matter.

4. NOTICE OF ARRIVAL OF GOODS.—The Trust does not undertake to serve a notice of arrival of goods on a consignee, and the non-receipt of such notice does not entitle the consignee to exemption from wharfage or demurrage charges.

5. RAILWAY RECEIPT TO BE GIVEN UP.—The railway receipt must be duly endorsed by the consignee and surrendered to the Trust before goods can be delivered. When a railway receipt is lost or for some other reason is not forthcoming, the Trust reserves to itself the right to demand an indemnity bond before giving delivery of the goods concerned. The Trust will not accept railway receipts mutilated or disfigured in any way.

6. PORT TRUST STAFF AUTHORISED TO DEMAND PAYMENT OF FREIGHT.—The chief goods clerk is authorised to demand and receive payment of freight for the conveyance of any articles by rail and also the charges incidental thereto. The public are cautioned against paying any charges to any persons other than the clerk appointed to receive money in the goods offices.

7. PARTIAL DELIVERY OF A CONSIGNMENT.—A consignee cannot legally refuse to take delivery of part of a consignment because the remainder is not available for delivery or is damaged. If he does not take delivery of that part of a consignment which is available for delivery, the goods will remain in the harbour premises solely at his risk and subject to the usual wharfage or demurrage rules.

8. TIME LIMIT TO REFUND OF OVERCHARGES.—No person shall be entitled to a refund of an overcharge in respect of railway freight or other charges in connection with the conveyance of goods by rail unless his claim shall have been made, in writing, to the Traffic Manager within six months from the date of the delivery of the goods for carriage by the railways.

9. HARBOUR CHARGES ON RAILWAY TRAFFIC.—For all goods entering or leaving the harbour in railway vehicles, with the exception of the articles noted in part II (B) of this scale, the Railways, when collecting their freight from owners, will also on behalf of the Trust collect the sum of 3 pies per maund as "harbour terminal charges." In the case of the exceptions, just referred to, as well as all military traffic booked as goods, two pies per maund will be recovered. On export produce railed in from a Railway's local godowns for direct shipment from wagons to steamer or from wagon to boat the railway will collect 2½ pies per maund for the Port Trust and half a pie per maund for their own shunting charge.

10. HARBOUR CHARGES ON TROOP AND PASSENGER TRAIN.—To cover the cost of haulage within the Trust's premises the Railways, when collecting their freight charges on vehicles containing passengers, troops or animals entering or leaving the harbour, will, on behalf of the Trust, collect harbour terminal charges at the rate of one pie per maund calculated on the tare of the vehicles. But the Railways and the Trust may agree to convert this into a rate per vehicle according to gauge or class.

11. EXTRA SHUNTING.—The harbour charges cover only the shunting of vehicles between the time they are taken over from the Railways and the time they are placed in position for loading or unloading. For all extra shunting outside these operations a charge of Rs 2-8-0 per vehicle per shunt will be made irrespective of whether the wagons are loaded or empty.

12. DEMURRAGE ON WAGONS.—(a) The demurrage rates are one anna per ton or part of a ton of carrying capacity per hour or part of an hour for broad gauge wagons and four pies per ton or part of a ton of carrying capacity per hour or part of an hour for metre gauge wagons.

(b) The Trust's working hours for railway traffic are from 7 hours to 17 hours (7 a.m. to 5 p.m.) except on Sundays, Christmas day and Good Friday which are "dies non," when no railway business is transacted.

(c) Demurrage is chargeable on a loaded wagon after the expiry of nine working hours from the time the wagon is placed in position for unloading, or in the event of the siding being full of wagons, from the time the wagon is placed on an adjoining siding.

(d) Demurrage is chargeable on an empty wagon, which a consignee has indented for, after the expiry of nine working hours from the time the wagon is placed in position for loading, or in the event of the siding being full of wagons, from the time it is placed on an adjoining siding.

(e) In the case of an empty wagon, which has been ordered by a consignee, but which he does not load, demurrage is chargeable from the time the wagon is received from the railway till the time it is returned to its parent line.

(f) On all wagons, whether empty or loaded, which cannot be loaded or unloaded owing to the owner of the goods to be loaded or unloaded not being present, or to the railway freight not having been paid, or owing to any other delay on the part of the owners of the goods, demurrage is recoverable after the expiry of two working hours from the time the wagons are received from the railways in case of wagons to be unloaded, or from the time the wagons are placed in position in the case of wagons to be loaded, until the owner of the goods has rectified matters. This demurrage charge is independent of any charge which may be made under clauses 12 (c), 12 (d) and 12 (e), Part I-B.

13. WHARFAGE ON GOODS.—Wharfage at the rate of one anna per maund or part of a maund per day or part of a day is recoverable on goods consigned to Madras harbour but not taken delivery of by the owner after the expiry of ten working hours (see clause 12 (b), Part I-B, for working hours) from the time the goods are unloaded. Wharfage is also chargeable on goods for outward despatch which are not consigned on the same date as they are tendered for despatch to the Trust.

14. GOODS LOADED OR UNLOADED BY THE TRUST.—With the exception of the articles noted in clauses 2 (i) and 2 (iii), Part I-B, all goods received from and despatched by wagons belonging to outside Railways will be loaded and unloaded by the Trust in return for the terminal charges laid down in clause 2, Part I-B. But when, with the Trust's permission, such loading or unloading is done by owners, they will be given a rebate of two annas per ton on the goods so handled. The goods referred to in clause 2 (ii), Part I-B, must be handled by the owners themselves, who, however, will get the rebate mentioned above.

15. CRANAGE CHARGES.—If cranes are required to load or unload goods into and out of railway wagons, the charges will be those laid down in clause 11 (a), Part I-A of this Scale of Rates, in addition to such harbour and other charges as may be recoverable. The cranes provided in the timber yard for loading timber into wagons are free.

16. GOODS SPECIFIED TO BE LOADED AND UNLOADED BY OWNERS BUT ACTUALLY LOADED OR UNLOADED BY THE TRUST.—When any goods specified in these rules as having to be loaded or unloaded by owners (see clause 2, Part I-B, of this scale) are actually loaded or unloaded by the Trust, a

charge will be made of four annas per ton for each operation, subject to a minimum of Re. 1 per consignment.

17. GOODS LOADED BY THE TRUST AND THEY STOPPED BY THE OWNER.—When goods, after having been consigned by the owner and loaded into wagons by the Trust, are stopped by the owner and unloaded by the Trust, a charge of four annas per ton will be made for unloading the goods and for each subsequent operation.

18. HIRE OF RAILWAY VEHICLES.—Hire charges on vehicles, which have been hired to the public by permission of the Railways concerned will be collected by the Trust and remitted to the owning Railways. Vehicles hired from a Railway will be hauled by the Trust, on behalf of the hirers, at the rate of Rs. 2-8-0 per vehicle for each loaded trip; but the Trust will accept no responsibility for the loss of or damage to the contents of such hired vehicles.

19. RAILED GOODS NOT SHIPPED.—Excepting goods consigned to the Trust, all goods entering the harbour premises by rail, whether shipped or not, are liable for harbour dues. Goods railed to a warehouse in the harbour, and afterwards taken out of the harbour premises for re-conditioning, will have to pay harbour dues before they are removed; but when such goods are again brought back for shipment after having been re-conditioned no further harbour dues will be recovered, provided the owner gives a written declaration to the Trust about the identity of the goods with those previously removed. Goods transhipped between wagons in the harbour premises will be treated as export cargo and will be liable for harbour dues and terminal charges.

20. OTHER CONDITIONS.—All other conditions governing the conveyance of goods by rail will be found in the goods tariff of the neighbouring Railway.

(3) Candidates will not be required to produce any certificates of attendance at affiliated colleges.

(4) Candidates are, however, required to apply to the Syndicate for exemption from the production of the required certificates of attendance. Applications for exemption should be made in writing and must reach the Registrar not later than the 20th January preceding the examination at which the candidates desire to appear. Each application should contain information as to the Part or Group in virtue of which exemption is required. If it is desired to take an optional language under Group (iv) or Group (v), the language should be stated.

(5) Applications for admission to the examination in the form prescribed must reach the Registrar *not later than the 20th January preceding.* Each candidate must forward with his application his F.A. certificate, and a treasury receipt for the fee prescribed for the respective examination which is as follows:—

	Rs.
Part I—English Language and Literature or Part II—one of the Optional Groups or both the Parts	36
Part II—Group (vi)	18

(6) No candidate can be examined in two Groups in any one year. No application will therefore be accepted for both the examinations in Group (vi), *and for that in one of the remaining Groups in Part II.* Applicants who have passed only the English Language division of the examination under the Old By-laws must therefore take the examinations in Group (vi), and in one of the remaining groups in different years.

(7) Irrespective of the particular Science division in which a candidate may have failed at the examination under the Old By-laws, he will be allowed to appear *in any one of the Groups* other than Group (vi) of the B.A. Degree Examination under the New Regulations.

(8) The Syndicate will not be prepared to recommend the grant of exemption to any candidate who proposes to take a language under Group (iv) or Group (v) which is not brought up by candidates appearing from one of the affiliated colleges.

(9) Candidates appearing in Group (ii) or Group (iii) will be required to present themselves at all the practical examinations conducted in accordance with the Regulations.

(10) The syllabuses of studies and text books for the different examinations will be found printed in Vol. I of the Calendar for 1916, a copy of which may be obtained at the S. P. C. K. Press, Vepery, Madras, for one rupee, exclusive of postage.

(21) No person who has qualified for the B.A. Degree by passing the examinations under the Old By-laws will be admitted to the B.A. Degree Examination under the New Regulations in an additional Science Group, as there is no provision in the Regulations therefor.

(22) The B.A. Degree Examination as at present arranged will be held at the following places:—

Madras—All groups.
Bangalore—Groups (i), (iv), (v) and (vi) only.
Trichinopoly Do.
Trivandrum Do.

Candidates for the above examination selecting Groups (ii) and (iii) will be allowed to take the examination in Part I and the *written* examination in Part II at all the centres. All such candidates will, however, be required to take the *practical* examinations in Madras. These will be arranged for suitable dates following the written examinations.

5. That if from any cause whatever the purchase shall not be completed by the 30th day from the day of sale, then the purchaser shall pay to the Collector interest at the rate of Rs 12 per cent per annum on the remainder of his purchase-money from the day of sale until the purchase shall be completed, without prejudice nevertheless to the right of re-sale reserved by the following condition, provided, however, that the whole of the purchase money with interest shall be paid within one year from the date of sale.
